

“Change?!?!”

Dear Friends of Immanuel,

For a number of years now this lead page has been about songs ... a few years ago we reviewed the lyrics of some Contemporary Christian songs and a few old Gospel songs that really highlighted the Bible's Gospel message; then we took over a year looking at some “lost” hymns (hymns that were in some of our previous hymnals that were not included in the current hymnal even though they had significant lyrics); and for the past couple years we've looked at some of the hymns that are ‘new’ to us in our new hymnal. But our lead page will change.

Change?!?! But... but... we're Lutherans — we don't like “change”!! ☺ *Right?! We are often resistant to change. We don't like when things that we're comfortable with change. We may even get angry or react badly when things change.*

But, my friends, change happens. And maybe it would be good for us to take a moment and ponder what does not change even when changes happen!

So, what do we do when we face the *unknown*, ... *the different*, ...*the scary*,*or even startling*?? What's worse is that sometimes when we are facing such changes people around us may point to and highlight the dark and scary things! ...like walking through *the valley of the shadow* and those around us are pointing at the dark objects—not as if guiding us but more as scaring us about the darkness. We may wonder if everything up to that point had been a lie ... Should we just give up? Run away? Turn our back on what we're there for?

But, dear child of God, that is precisely when we need to flee to the cross!! ...to the open arms of our gracious God!! When nothing seems to make sense, when the church or church leaders disappoint, or falter, or fail, when it seems that nothing can make it better, ... flee to the cross!! Jesus is still our loving Savior and He has not and will not abandon us. This is not just about Church leaders, this is for ALL of us; for *all have sinned and fall short of the glory of God* and together we have missed the mark of God's expectations; and all of us have failed to remain steadfast on the Lord's

“The marker of those who understand the **gospel of Jesus Christ** is that, when they stumble and fall, when they screw up, they run to God and not from him, because they clearly understand that their acceptance before God is not predicated upon their behavior but on the **righteous life of Jesus Christ** and his sacrificial death.”

— Matt Chandler

The Explicit Gospel

path when changes bring us through *the valley of the shadow*. And so all of us need the reminder for ourselves and to be prepared to speak a reminder to others that whenever we stumble, we need to flee to the cross!!

Please take a moment to read and ponder the quote by Matt Chandler on this page! This could be the bright light in the darkness for any of us!

God's mercy and forgiveness are our one enduring and reliable hope! God's mercy and forgiveness are given to us freely and abundantly because of the self-less love and sacrifice of God's own Son, Jesus!

So when changes happen—even the scary changes (yeah, more than a change in newsletter hymn topics), whenever you face what seems like *the valley of the shadow*, when even the things we think make the church stable seem to crumble, turn to the cross. Cling to Jesus Christ and to Him alone!

Jesus loves me! This I know, for the Bible tells me so. Little ones to Him belong; they are weak, but He is strong. Yes, Jesus loves me! Yes, Jesus loves me! Yes, Jesus loves me! The Bible tells me so.

That too is a song worth singing often!

Pastor Michael K. Heidie

I believe, therefore I speak... 2 Cor.4:13

CONTRIBUTION STATEMENTS for your 2018 offerings have been distributed in your church mailbox. If you do not have a mailbox, we will mail your statements to you. Contact Kim in the church office if you have any questions regarding your statement. *Thank you for your generosity!!*

RIPPLES OF KINDNESS: "I drop kindness pebbles in still water every day, and I watch the effect they have on other people's lives. My favorite kindness pebbles are compliments. Drop a compliment and watch the ripple effect that it has in your life." Remarkably, these cheery words come from a father who has faced many dark, difficult days. In *6 Minutes Wrestling With Life*, John Passaro tells of his daughter's heart-wrenching battle with meningitis. The struggles didn't make him bitter; rather, he frequently offers uplifting words on social media. What if we followed Passaro's example and complimented people regularly? Philippians 4:8 (NIV) instructs us to think about things that are noble, lovely, admirable, excellent and praiseworthy. By extension, turning those positive thoughts into words causes "kindness pebbles" to spread God's light in ripples throughout someone's day — and, doubtless, through ours.

*Worry is a conversation you have with yourself about things **you cannot change**.
Prayer is a conversation you have with God about things **He can change**.*

SUPER BOWL SUBS: Thank you to all of you who purchased Super Bowl Subs!! Pick up after church on **Feb. 3** and enjoy the game!

ADULT BIBLE STUDY: For February, our new topic will be “**LOST BOOKS — *were some books intentionally excluded from the Bible?***” A lot of supposed experts and documentaries about Biblical archaeology and scriptures and especially with the misinformation in books/movies like *The DaVinci Code*, there is a real need to find out what the church has to say about its earliest formation. We need to be able to read the Bible as God’s Word with complete confidence! The need is especially great when it comes to defending the books that constitute the Scripture believers use as the basis for their faith in God and the saving work of His Son, Jesus Christ. Join us Sunday mornings in our Multipurpose Room at 8:30 am.

HOG ROAST KICKOFF MEETING: We will start planning for the 7th annual Community Hog Roast on **Feb. 26** right after the Capital Fund meeting. We invite you to attend and help us plan this event – it takes many volunteers for it to be successful! If you have any ideas for new entertainments or ways we can make the event better, please come and share them with us. Save the date! The Community Hog Roast is **July 27**.

CALLING ALL BAKERS! Please consider donating baked goods for our Valentine’s Bake Sale on Sunday, **Feb. 10**. If you have any questions, please see Sue Heidle. Need a Valentine for that special someone? For a friend, neighbor, or coworker? Buy them a treat after the service! This is a freewill donation. Proceeds will go towards the new school windows on the other side of the building.

GIFT (SCRIP) CARDS: The next Scrip Card order is due to the church office by 1 pm on **Feb. 11** and will be available for pickup **Feb. 17**. How does this help Immanuel? Each vendor gives us a percentage of the face value of the gift card which is our profit. This rate depends on the vendor and ranges anywhere from 1.5 – 14%. **We encourage you to give it a try – it’s easy!** Right now this provides \$700 - \$1,000 of income annually for the church, but it could be much more if more people utilized this opportunity! Order forms are on the information table. Orders are not limited to the vendors listed on the order blank; a full vendor list is on the hall bulletin board. Write the name of the vendor, denomination of the gift card, number of cards wanted, and total amount on a blank line of the order form. Most of the local fast food/chain restaurants, plus Meijer, Wal-Mart, and Big R have cards available **every Sunday** and in the office during the week.

SAVE THE DATE! Pi (pie) Day is coming up on **Mar. 10** and the Spring Rummage and Bake Sale is scheduled for **Mar. 30**. Clean out those closets – Your unused items can become someone else’s treasure!

CAPITAL FUND DRIVE COMMITTEE: The school windows have been installed on the east side of the building—with the exception of the swing out windows and reinstalling the air conditioners! **Praise God and thank you for your donations!!** We are now starting to plan the phases for replacing the windows on the west side and school foyer. *Window history:* the windows have deteriorated over the years (about 60!), been repaired, and now need replacing. When it rains, it comes through the glass blocks into some of the classrooms. The tuck-pointing between the glass blocks is almost gone, and the caulking around the windows has become brittle. We discussed just doing the tuck-pointing and caulking, and it was estimated to cost around \$16,000 and it would not correct the entire window problem. Arrow Glass from Champaign did the replacement windows at Danville High School, and they gave us an estimate which was over \$110,000 for all the windows. He is willing to work with us and do one window at a time or as many as we want. Each classroom window costs \$10,710; the other windows are smaller and vary in price. New windows will also help lower our heating and air conditioning bills since they are energy efficient. If you or a group of members would like to sponsor a window by raising the money for it, please contact Jo Van Hoveln or Wayne Mann. Prior generations worked and sacrificed to build the school/church building, and it is up to us to preserve and improve our church home just as we would our own household’s. There is a cost breakdown for the windows along with drawings of each type of window on the Capital Fund bulletin board; please stop by and check it out.

Our Phase 2 pledge drive started in June 2017, and it’s not too late to pledge/donate to the Capital Fund Drive. All donations from small to large are equally appreciated. Envelopes for this purpose are on the ushers’ desk and the Capital Fund Drive bulletin board. Questions? Please contact Jo Van Hoveln.

Our next meeting is **Feb. 26** at 6 pm. Members of the congregation are welcome to join us for this meeting.

IMMANUEL’S VOTERS’ ASSEMBLY:

Join us after our church service on **Feb. 24** for our next congregational Voters’ Assembly. At this meeting, we will discuss and approve a budget for the coming school year. **Please come; your participation is important!!**

AROUND THE CLASSROOM

Danville Lutheran School

Music

Mrs. Tara Wells

In music, we continue to read the notes of the treble clef in all classes. Choir is reading the notes by identifying the solfege syllable and learning to recognize intervals between the notes to make singing easier and more in tune. K-2 are learning to read and identify line notes and space notes, so and mi solfege syllables, and also how to write notes on the line and in the space. Reading music is like learning a whole new language, so between 3rd and 8th grade there is always some aspect of note reading, in xylophone, recorders, beginning band, or junior high band. It is an important skill to have to be able to sight-read note names without having to write them in first, and that is our continued focus.

February 2019

Mrs. Connie Marxman-Preschool 3/4

We have started our Book Buddy take home reading program. Each child, once a week, chooses a book with a corresponding plush buddy to read to at home. The parents ask the child questions about the book and writes down their child's words. These are shared with the other children in class. These are kept in their portfolios. This is a good way for the children to build on their attention span, build memory recall, vocabulary, and help them to understand beginning, middle and end. During Jesus time, we are looking at the many ways Jesus cared for and showed His love through His miracles. We begin our five week study of our five senses and match up a miracle story with each of the senses.

Mrs. Tabby Hammer-Preschool 3/4

Reading is a favorite time of the day. We read at least 1 book a day that goes along with the weekly theme. We discuss the pictures in the book and sometimes you can catch us acting out the story. During the month of February, we will be focusing on the author, Jan Brett, and her many books. In the month of March, we will have a weekly theme all about the author, Eric Carle.

Mrs. Sue Heidle-PreKindergarten

Reading is such an important part of the pre-k day. We read many stories that go with the theme for the week. When we talked about snow and arctic life we read books on penguins, seals, snowy days and many other snow related books. We did an art project using puffy paint based on Ezra Jack Keats book The Snowy Day. We talk about the author and illustrator. We discuss the characters and setting of the books and enjoy predicting what will happen next. Two of our favorite books are The Wide Mouth Bullfrog pop-up book and There is a Monster in My Book.

SPECIAL READING/LITERATURE EDITION

Mrs. Penny Tibben-Grades 3/4

In literature, the third and fourth graders are 'not on the same page.' After finishing a series of fantasy selections, the fourth graders are locating the main idea of a paragraph, determining the supporting details and practicing summarizing nonfiction paragraphs. Note taking begins in social studies and science. Third graders are identifying the sequential events of realistic fiction and drawing conclusions about the story's ending. Both grades love to read. They also still love being read to, and are learning about pioneer life in the 1800's with a historical fiction, *On the Shores of Silver Lake*. This love of reading carries over into religion. We read the Bible accounts of God's prophets calling us to repentance and look forward to the Last Day when that cycle of sin/forgiveness will come to an end. Come quickly, Lord Jesus!

Mr. Dan Yagow-Grades 5/6

During this past month and in the month ahead, we have been reading and studying nonfiction accounts based on the theme, "The Changing Planet." Several of our selections have included the Everglades, the vastness of the oceans, and viewing the Earth from space. In February, we will begin a novel titled *Number the Stars*. In this historical fiction account, we will appreciate the trials and challenges of the Jews during the time of the Holocaust. Later in April, the class will take a field trip to see a play based on this story.

Mrs. Kim Wright -Junior High

February brings two new novels. Grade 7 is reading *Walk Two Moons* by Sharon Creech. This is a funny, yet poignant, story of a thirteen year old girl traveling across the United States in search of her mom. Her travels take us to several US landmarks and National Parks. We will visit these locations via virtual field trips. Grade 8 has begun *The Adventures of Tom Sawyer*. The students will learn about the life of Samuel Clemens and focus on characterization and dialect. As always, learning new vocabulary is an important part of our literature classes.

KINDERGARTEN

Mrs. Marah Showers

We are continuing to learn the final letters of our alphabet this month. Now that we know most of our letters and sounds, we are perfecting the process of blending them together to read and write words. We work mostly with our letter tiles (each student has a set of tiles containing one letter per tile) to practice spelling words. This gives the students an opportunity to form words on their own, as well. In reading, we are continuing to work on rhyming words, counting syllables, isolating the beginning sounds of words, and determining the final sound in a word.

GRADE 1

Mrs. Sara Fauser

The first graders are starting to read longer books. We are starting to read beginning chapter books like *Henry and Mudge* and *Fly Guy!* Our theme for our next Literature Unit is *Hello, Neighbor!* During this unit we explore how we can show our friends and neighbors that we care. I love teaching this unit at a Lutheran School because we also learn about spreading the Good News that God loves them, too.

GRADE 2

Mrs. Katie Rouse

In our upcoming literature unit, *Imagine That*, we will read stories that will allow our imaginations to run wild. Students will focus on cause/effect, making inferences, and synonyms/antonyms. Our stories will cover various genres, including fantasy (*The Day Jimmy's Boa Ate the Wash* and *How I Spent My Summer Vacation*), informational text (*Dr. Mr. Blueberry* and *The Emperor's Egg*), and realistic fiction (*Cool Ali*).

February 2018

February 3 (Luke 4:32)

“Christ is the Real Thing!”

By Rev. Dr. Thomas Ahlersmeyer, Holy Cross Lutheran Church~Fort Wayne, IN

The words and actions of Jesus Christ communicated astonishing authority to people accustomed to timid and contrived religious teaching. Can He do the same to us in 2019? Listen to His words. Consider His actions. Christ Is the Real Thing!

February 10 (Luke 5:1-11)

“A Great Fishing Story”

By Rev. Dr. Walter A. Maier III, Concordia Theological Seminary~Fort Wayne, IN

Jesus is the best fishing partner. He knows where the fish are! The Gospel of Luke relates a great fishing story, which, however, is about so much more than just catching fish.

February 17 (Luke 6:17-26)

“Blessed Are You”

Rev. Thomas Eggold, Emmanuel Lutheran Church~Fort Wayne, IN

The Beatitudes are *not* a moral roadmap designed to lead us to heaven. They do *not* constitute a list of demands promising blessings in return. No, the Beatitudes *bring* blessings because they come to us as requirements of righteousness already met in Jesus. He is the one who has fulfilled every demand of the Law. He is the one who has taken away our sin and come to give us the Kingdom.

February 24 (Luke 6:27-31)

“Love, Bless, Pray”

By Rev. Paul E. Shoemaker, Emanuel Lutheran Church~New Haven, IN

Jesus tells us to love your enemies, bless those who curse you, pray for those who abuse you. All of that happened to Jesus who continues to love, bless and pray for us so we may spend our eternity with Him.
