We hope you have enjoyed our "Connections" newsletters this year! And we look forward to connecting in the future!! For some, we'll enjoy seeing you in our Summer Camp! For some, we'll see you next year – you have registered, right?! Please don't wait to register!! For those not in Summer Camp and going off to different schools: we will miss you! Do keep in touch and let us know from time to time how your family is doing! We genuinely want to connect in the future!!

Also, please share the word about our registration with families you know who have young children. Tell them to call me – I love talking with families about the advantages of our Preschool program and giving them a tour! Miss Kirsten's Class

I can't believe it is the end of the school year! This last week will be so much fun! We will have popsicles and ice cream this week to start off summer. We will also be celebrating some summer birthdays in class and then have our camping themed end of the year party to finish off the school year! Since starting in January, the students have grown so much! We have learned many letters, have learned all our shapes, colors and numbers. We have also learned about manners and our feelings. I have enjoyed having them for my first year teaching!

Mrs. Hammer's Class

School's out for SUMMER (almost)!! I want to thank you and your family for letting me have the joy of teaching your child this year. We had a GREAT year together! The class is ending the year with a luau and pizza party on Thursday, May 20th. Parents are welcome to the join our party!

Mrs. Heidle's Class

What a great year we have had!! We started the year off reviewing all our shapes and colors. We had a letter of the week all year. We had so many fun themes throughout the year. We made books, many crafts, learned math through games and learned many fun songs during circle time. We learned the many social skills needed to become awesome kindergarteners. We were able to go on a field trip to Hog Wallow. We had *Muffins with Moms* and *Donuts with Dads* and just had our Famous Artist Art Show. This month we hatched chicks and butterflies! Wednesday it will all conclude with our Graduation Program. As one of our songs says, *Kindergarten Here We Come!!!*
Have a GREAT and Safe Summer!
