A PRAYER FOR DANVILLE LUTHERAN SCHOOL

Heavenly Father, You have called us to our Christian vocations and You call us to action on the behalf of our brothers and sisters. Today, I pray for our Danville Lutheran School. Gracious Father, strengthen the resolve of the Trinity and Immanuel congregations to assist, support, and encourage the staff, pastors, parents and students; give each a full measure of your grace.

The road is challenging, Lord; where there is need fill it, where there are hurt feelings and anguish console it. Remind us daily that we are a forgiven people by the power of our Lord and Savior Jesus Christ, as such; we need to forgive and encourage one another.

We ask You, Lord, to fill us with purpose, and with cooperation to discover Your plan, and with ambition to do what You would us to do for the support of our school. All we have is given to us by You, dear Father; show us the way, provide us children to teach and care for. Give kindness, care, wisdom to all staff and parents to do what is right and true to reach out to these families with Your grace, and to do it all to Your glory.

Be with our families, Lord, guide them and encourage them to see the benefit of a Christian education for their children and grandchildren desperately need to know your grace and guidance to carry them throughout their lives in these hard times in which we live in.

Finally, Lord, we thank and glorify You for all the great gifts given daily. Teach us to trust Your plan for our lives and send the Holy Spirit to us so that we may be enlightened and respond to the duties You have given us. Thank You for the many people who work hard daily to provide our day school, for volunteers, parents, children, staff, pastors, and the board of directors who work to the glory of Your Kingdom.
Amen
