

Weekly Notes from the Principal's Desk

Week of April 30, 2018

Special Announcements:

- If you are planning on attending DLS next year and have not re-enrolled, please prayerfully consider doing so now. These numbers are very important to us, as we plan for a great next school year! It is just as important for you to go online and mark that you "will not enroll" for next year, if this is your decision. Thank you for following through with this as soon as possible.
- Please send back signed progress reports, if not done so already.
- Race for Education is only days away! Activate your child's page online at danville.myfunrun.com by making a donation and then sharing on social media. You can also ask friends and family in person and collect funds in the provided envelope. This fundraiser is one of the most important dates of the year for the school. Don't forget to ask for corporate donations too! Scholarships awarded for the top three fundraiser families.
- If you brought your child to sing at Sunday's service @ Immanuel, thank you. The effort is much appreciated.
- Reminder: Grades 6-8 are required to earn service hours. The school year is nearing its end, if you are low on hours (found on Renweb), you need to actively search for ways to serve in the community and earn hours. If you do not meet minimum hours, and you do not graduate this May, the remaining needed hours roll over into next year. Summer hours are encouraged. Grade 8 students need to meet the requirement. 2018 graduates need 15 hours.
- Reminder for 8th Grade: Graduation money is due next Friday, May 11.
