

# ILS Connections

~a place to keep families, staff, and the church congregation connected

## February 2026

Love in the Bible is not just a feeling—it's a daily, deliberate choice. Scripture reminds us that love is patient and kind (1 Corinthians 13), that it seeks the good of others, and that it reflects God's own heart. Jesus placed love at the center of everything, calling us to love God and love people, even in the ordinary, exhausting moments of life. For busy parents, keeping love front and center doesn't require more time—it requires intention. It looks like pausing before reacting, offering grace when everyone is tired, praying short prayers in the chaos, and letting your children see forgiveness and humility modeled in real time. When love guides your words, your discipline, and your priorities, even the smallest moments—car rides, bedtime routines, shared meals—become holy ground where God's love is lived out daily.

In Christ, Mrs. S.

**From our Orange Room:** February is the month of LOVE! Our classroom is filled with hugs, laughter, and friendship. To celebrate Valentine's Day, we will enjoy an ice cream sundae party with our friends. Our learning focus for the month includes:

- **Letters:** U, J, Z, V
- **Numbers:** 9 and 19
- **Color:** Pink
- **Shape:** Heart
- **Sight Words:** *is, my*

During Jesus Time, we will learn about how Jesus Heals the 10 Men, Zacchaeus, and how Jesus Calms the Storm. We hope everyone has a fantastic month and continues to spread kindness and love! **Mrs. Hammer**

**From our Green Room:** The new year is off to a great start for Ms. Wiese's Pre-K. As I reflect on our school year so far, I can't help but think about how much growth and progress these children have made. I am so proud of them. For the rest of the year we will continue to focus on a number, color, shape, and letter. The focus wall for February will include:

Color: Pink

Number: 9 and 19

Shape: Heart

Letters: Uu, Jj, Zz, Ww, and Qq

Next month we will have a class Valentines Day Celebration on Thursday Feb. 12th. ILS will also be hosting a Spaghetti Dinner that evening from 5-7 p.m. if you like to join. We would love to see you there!  
**Ms. Wiese**

**From our Purple Room:** We are excited to welcome a new month filled with learning, fun, and growth in the 3's classroom! Our focus this month will be--Literacy: letter recognition for R, S, T, & U/ how to recognize, spell & trace our names

Math: #7 recognition, counting objects, basic addition using our fingers

Science: health and nutrition- discuss healthy foods and fun ways to stay active

Social Skills: sharing, expressing feelings and problem solving/finding solutions

We look forward to our upcoming February events including our Valentine's Day party (February 12th). Students are welcome to share valentine's cards with their classmates. Be on the lookout for a class list and a party sign-up sheet on Brightwheel. Then on the evening of February 12th, please join us for our annual family spaghetti dinner! As always, thank you for your continued support and partnership. We're so grateful to be part of your child's early learning journey. **Mrs. Rouse**

**From our Yellow Room:** January has been a wonderful month in our two-year-old classroom! The children did an amazing job adjusting back into the new year and settling right back into our routines. We enjoyed learning about winter animals and snowflakes, and the excitement truly soared when we explored everyone's favorite topic—dinosaurs! 🦖 🦕 It has also been so exciting to see how much progress the children are making with potty training, with many working hard and some already fully there—what an incredible accomplishment! We are so proud of them and can't wait to head into February filled with Valentine's Day fun and more learning ahead. ❤️ **Miss Nicole**

**From our Blue Room:** We hope everyone had a wonderful New Year! Our students had so much fun participating in our LSW dress-up week. In Young Twos, we spent the month learning about our color of the month, blue, and exploring fun themes like bears and penguins. The children also worked on recognizing the number 5 and the letter E through hands on activities and play. Looking ahead to next month, we will be learning all about the color red and celebrating Valentine's Day with a small classroom party. We're excited for another fun filled month of learning together!

**Miss Kirsten**

**Bible Verse of the  
Month:**

**But as for me and  
my household, we  
will serve the  
Lord.**

**Joshua 24:15**

  
*Agape*

HELLO *February*
